George Lanter was a dedicated son, husband, father and grandfather but the role he cherished most was a Christ follower. His personal relationship with the Lord began in his mid-20's. God then used George in various roles. He was a church board member, Christian camp board member, confirmation teacher, Sunday school teacher, bible study leader, and seminary board member. Of all of his accomplishments, George always said that doing anything for the Lord was his greatest pleasure.

George died on April 15, 2010, after a 15 month battle with cancer. He was only 59 years old. He is missed daily by his wife, Rose, children, Jennifer & Adam, their spouses, Jason & Lindsey, and grandchildren, Olivia, Riley, Simon & Elliott. George was a 33 year employee of the Department of Food Science and Human Nutrition at the University of Illinois. George maintained a 10,000 square foot science lab and he used every opportunity to share God's word with students, parents, and professors. He was well-known and loved by all of his co-workers and many others throughout the University of Illinois campus.

George was an honorable man. His love of the Lord played out in his daily living. He carried the bible with him everywhere and read it at every opportunity. He knew scripture and was excited to talk about it and share the newest insight God had provided to him. He lived his life well and with great enthusiasm. He loved to ride his motorcycle, he loved to play "horsey" with his grandchildren, he loved to play cards and tell jokes, and he loved to eat coconut cream pie.

Our hope is that your relationship with our Lord will be strengthened from your studies at Urbana Theological Seminary and that you will put into practice all that you learn. May our God of peace be with you.

On a separate sheet of paper, please answer the following questions:

1. George Lanter was a man after God's own heart. George lived each day with incredible strength, courage, and faith. His life was a daily demonstration of his faith and is his greatest legacy. Lives have been changed because of George. What would you like your legacy to be?
2. What is your favorite bible verse and how do you "live" it?
3. Provide a statement of your education and ministry goals.
